**ALLEGATIONS**

I, Rogerio S. Tavares have worked as a vehicle transport for ENTERPRISE RENT-A-CAR COMPANY for approximately three years and seven months. During the process that began when I filed my complaint to the Commission ended up resulting to me being suspended. And then was followed up by wrong termination due to an incident that took place on November 3, 2011 and that led to my injury during working hours. In addition to my injury, I am still receiving treatment. Considering

Case 1:13-cv-00521-S-PAS Document 1 Filed 07/15/13 Page 2 of 2  
obtaining a new employment to help support my family, the injury was more  
intensive followed by further harm to myself. After several testing and evaluations  
by different doctors, the workers compensation court and the employer has  
requested that I be referred to the Donley Rehabilitation center (Dept. of Labor and  
Training) for additional therapy on 06/12/2013. On 07/11/2013, I was discharged  
due to increasing chronic pain that is becoming more unbearable and was  
recommend (Dr. Fowler) that I should refrain from any professional environment  
regarding my circumstances.

Sincerely,

Rogerio S. Lavaras
